v.

CO Russian, et al.
Defendants

NO: 1:CV 00-1728

(Judge Rambo)

Memorandum & Exhibits

Questions 1-6, concerning Ms. Suchy write-up, Exhibit AA-5,
12 pages, dated 02-05-2000:

1. This write-up was part of an ongoing conspiracy by staff at SCI-Waymart to force me to drop my lawsuit against the D.O.C., the Parole Board, and other staff members.

This write-up is a falsification of the facts and a lie, as Mr. Mason has sworn in his statement on Page 9. I did not tell him to do anything as Ms. Suchy charged me, nor lie to her as she stated. See Page 8, write-up #191014.

Questions 8-12, concerning CO Russian write-up #151773, Exhibit AA-6, dated 07-27-2000:

2. I had one witness who stated we were not yelling in the day room as CO Russian charged. The Hearing Examiner's findings are not the same as Russian's, who stated I had left the day room and returned. See Charges, page 9, and Hearing Examiner's Report, Page 7.

Date 2/11/02

Respectfully
Wm Branch CF-3756
Po Box 256
Waymart, Pa 16872

My contentions are that this write-up was done because I reported CO Russian to the superintendent for violating D.O.C. Policy 203, Safety and Security Inspections, by searching my personal property when the policy clearly states this practice is not to be done.

This write-up came after I wrote a request to the Superintendent. See Exhibits AA-6, pages 1 and 2, dated 07-15-2000. Also, see page 3, letter for Injunctive Relief to the U.S. Appeals Courts, 3rd Circuit, dated 07-15-2000--which is after I spoke to Mr. Friedman, who attempted to cover for CO Russian. I also filed a grievance, see page 4, dated 07-20-2000. I never received a response to this grievance, nor was it assigned a number. Enclosed is a copy, which was submitted 7 days prior to the write-up which was done in retaliation for reporting CO Russian.

3. I am still waiting on Parole Data Discovery.
4. No exhibits available, must ask for discovery concerning questions 19-22.
5. I moved into the dormitory and was mistreated. See Exhibit AA-6, page 3, Motion to the Courts, where I named Mr. K. Blow and Mr. Presser, both inmates, as witnesses far in advance of the write-up of 07-15-2000.

Questions 23-30, Treatment while in R.H.U.:

6. (a) My legal papers #28 were taken, Exhibit AA-6, page 5, dated 08-09-2000. I sent a request to PRC, which was answered by Mr. Nish on 08-22-2000, page 4; Grievance dated 08-31-2000 still not returned, page 7; Grievance dated 09-05-2000 returned telling me to write LT Wellington. During all this I had legal motions pending and the appeal of my criminal conviction was in process.

On 07-05-1996 my legal paperwork was mailed out, without my permission. See Exhibit AA-13, page 7.

(b) My diet meals were changed , the order had the approval signature of Neil Hefferman, PA-C. See Exhibit AA-2, page 5. Mr. Hefferman claims he did not write this order, see page 3. In addition to this unauthorized change in my special diet plan, my meals were tampered with--the bread was smashed and the lids on the drinks were half opened, as is someone had put something in it. Sometimes my diet bags came, other times they never arrived. This continued harassment was all done as part of a conspiracy and retaliation because of my pending lawsuits. I was scared! See Exhibit AA-13, page 1.

(c) I was unable to get request slips or grievance forms when I asked for them, Exhibit AA-3, page 1. I attempted to contact Superintendent Collieran through the request slip procedure on 08-03-2000. It was ^{Given} intercepted by LT Wellington, who crumbled the request and threw it in my cell, warning me to stop reporting his staff to the superintendent or he would stop being nice!

Questions 31-32:

7. Also while in the R.H.U. I was not allowed the help of another inmate, who had the same security level as myself, so no security risk existed. I was told this would not be allowed because it could encourage inmates to get sent to the R.H.U. just so they could work on their legal work. See Exhibits AA-6, pages 4 and 5, dated 08-05-2000, response by Mr. Nish. By disallowing Joe King to assist me with my legal work and the taking of my legal papers by the staff hindered my access to the courts.

Questions 33-39:

8. I was placed on a smoking block and in a cell with an inmate who had a hole and metal plate in his head, inmate McNeally smoked like a fish. I was moved to D-2, another smoking block, and placed on a top bunk. As a result of the smoke I had to go to medical. After many requests to be moved to a non-smoking block, I was finally moved to F-2. I got out of the R.H.U. on 09-10-2000 and was forced to live in a smoke filled environment until 10-19-2000, when I was moved to F-2.

Questions 40-47:

Mr. Pennington spent a great deal of time thinking about girls. He sat watching television saying, "I want some womb." or "I want some guts." While I was trying to pray. I spoke with Mrs. Martin and she put me off. So, finally, I wrote a request slip, then another request explaining that if anything happened to me, I would sue her. She gave permission for me to be moved. But CO Kowarski delayed the move in hopes that I would get beat up or sent to the R.H.U.. When he finally moved me, I was placed on a top bunk, when other bunks were available. See Exhibit AA-10, dated 11-27-2000 and 11-26-2000, pages 1 and 2. Mr. Pennington was finally placed in the R.H.U. for showing his penis to a female CO during night shift, losing his chance for pre-release.

Questions 48-53:

10. I was moved again, but CO Kowarski put me in another unpleasant bed, which was cramped, when other beds were with more space were available.

Exercise of Religion;

Questions 54-62:

11. Defendants admit that I was ordered to cut my hair. This was done without allowing me time to get the Haircut Exemption the D.O.C. has in place. See Exhibit AA-6, page 2. The D.O.C. has since denied me the exemption, this denial is a violation to support this I offer USCA 42 2000, CC 5, PL 106-274 §8, 114 Stat 806. §2000 CC-5, definition for Religious Exercise,(7)(A), in general, the term "religious exercise" includes any exercise of religion, whether or not compelled by, or central to, a system of religious belief. On page 2538, Chapter 21C, Religious Land Use and Institutionalized Persons. *also Exhibit AA-1 Page 1 and Exhibit AA-14*

Questions 63-71:

12. Choir Practice. See Exhibit AA-7, page 1, dated 01-25-2001. I sent a request to Mr. Orr, which was answered by Mr. Walsh, who stated that choir practice was not an excused absence because it was voluntary. Exhibit AA-14. Other student-inmates had been allowed to miss school to participate in choir practice without being penalized. I was singled out and denied to attend choir practice, which is an important aspect of my religious practice. This was done to retaliate against me for suing the staff and reporting misconducts through §1983 lawsuits.

Questions 72-73:

Capt Gavin

13. Misconduct #990495, dated 09-25-1997, Exhibit AA-12, page 5 and misconduct #295142, dated 10-10-1997, same exhibit, page 6 centered around legal papers being mailed out without my permission. Also see AA-13, page 7, dated 07-05-1996. The response was dated 07-08-1996. They intentionally waited until they had mailed out my legal papers before responding. I had lawsuits pending.

Exhibit AA-13 page 7 also see Exhibit AA-12 Capt Gavin signed the misconducts

Questions 74-80:

14. See Exhibit AA-12, Misconducts #295142 and 990495, dated 09-25-1997, where I asked to have time off to prepare my legal brief. I was given the time off, however, when I returned to work I was laid in by Ms. Surace. Then, one week later I was written up by her for failure to come to work. CPT Gavin signed this misconduct (#990495) which was dismissed. Two days later I fell asleep and failed to report back to work. Again, Ms. Surace, wrote me up (#295142), eventually resulting in the loss of my job. When I returned to my job Ms. Surace stood over me yelling for me to hurry up, causing my blood pressure to go up and giving me headaches. That was the reason I fell asleep. This was part of the retaliation against me for exercising my right to access the courts.

Questions 81-85:

- 15: Grievance #00232-00, Exhibit AA-6, pages 3,4, and 5, dated 08-03-2000. I informed Superintendent Collieran and Hearing Examiner Jones that CO Russian was retaliating against me before they imposed a disciplinary sentence. See Exhibit AA-6, which contains Request Slip, page 1, dated 07-15-2000; motion to 3rd Circuit Court, same date; the grievance, page 4, that I never received any answer for, which is dated 07-20-2000; misconduct hearing appeal, page 2, dated 08-14-2000; Secretary Horn, page 4 dated 08-29-2000; misconduct hearing appeal, dated 07-31-2000, page 6. No actions were taken, denying me due process.

Questions 86-87:

16. While in the R.H.U. I was denied access to my legal papers and the assistance of a more learned inmate of legal procedures. Therefore, my motions to the courts were dismissed, my criminal appeal was hindered, and I have not been able to recover yet. See AA-15, motions filed in 3rd Circuit Court, District Court, and the Commonwealth Court.

Questions 88-91:

17. See Exhibit AA-3, dated 08-03-2000, page 1, request slip to Superintendent Collieran.

18. Question 92:

Exhibit AA-6, page 4, dated 08-29-2000, letter to Secretary Horn.

19. I mailed a letter for discovery to the O.A.C. address Po Box 598 Harrisburg Pa 17101. Someone changed the Zip code to 17108. I was not able to make a copy but I will have it for court or I will send it to the Clerk, you can see the B is not my B

RE: William Branch #CF3756

Dear Rev. Gagas:

I am writing to you today because we received a copy of a memo that you sent to the above referenced Minister of our Church. Within our church we believe in the freedom of religion and that person has to choose which path is correct for them. So within our Church we have a vast variety of of religious beliefs. All though we may not personally choose to allow our hair to grow we believe it is the individual Ministers right to do so. There is bible scripture as evidence of this as I am sure you are aware of.

We would appreciate your cooperation in allowing Rev. Branch to receive the exemption that he is requesting so that he can continue practicing his religious beliefs.

If we can be of further assistance please let us know.

Sincerely,

Mr. Branch,

The contents of the law library are mandated by the PA. DOC. We do have P.S.C.A.-Title 61 which covers Penal and Correctional Institutions in SCIWM law library. Section 331.19 states that the Parole Board requires all public officials to furnish records or info. re: the inmate in question. It further states that the Parole Board is given the power to parole & to use recommendations from public officials, i.e. Dr. Germano.

I am sorry for any confusion I may have inadvertently caused regarding this issue.

Sir: I wish to inform you of a C/O acting in "Retaliation" for me being talking him and reporting him to the shift commander Cpt. Griffin on 7-14-00. C/O Rushen has been using safety security inspection to Retaliate against any inmate who he gets angry with.

first he in Bage's then in a conversation which he use's to speak demeaning to them and when they respond a goes into I'll show you mode, next that inmate is being "searched" his property all over the place inmate Chapman had spoken to me long and asked him to have C/O Rushen leave him alone.

8. DISPOSITION: (DO NOT WRITE IN THIS SPACE)

I pointed out to C/O Rushen that DC ADM 203 That a Security inspection is for structural observation and testing not personal property and that a inmate need not be present, he acted as if I was reading this procedure in correctly so I spoke with Capt. Griffin he told me C/O Rushen knew that he was using this procedure incorrectly.

When I informed C/O Rushen that Cpt. Griffin had told me he knew he was improperly requiring inmate's to return to their area and to open their locks upon his direct orders this happen to me on 7-13-00 on 7-14-00 I was Random Cell searched (I want to point out we are housed in a dormitory).

The following is a summary of my findings regarding your grievance:

The structural integrity of your cabinet cannot be tested without opening the cabinet door. This cannot be done when it is locked.

Your were told that your protesting about Mr. Russian looking into your cabinet was far in excess of what is considered "normal" and gave the impression that you were hiding something. This caused an investigation inspection.

Mr. Russian's conduct was appropriate.

Re: DC-ADM 801 - Final Review
Misconduct No. A151773

Dear Mr. Branch:

This is in response to your appeal to final review of the above numbered misconduct.

In accordance with DC-ADM 801, VI, L, 3, I have reviewed the entire record of this misconduct; including the misconduct report, the hearing report and related documents, your appeal to the Program Review Committee and their response, your appeal to the Superintendent and his response. I have also thoroughly reviewed the issues you raise to final review.

The issues you raise to final review have already been addressed by the Program Review Committee and the Superintendent. On review of the record, this office concurs with their responses. I find no persuasive basis from which to conclude that the Examiner erred in conducting the hearing. The Examiner specifically documented findings of fact based on evidence presented at the hearing to support the decision. The procedures followed were in complete accordance with DC-ADM 801, §VI. The sanction imposed is not viewed to be disproportionate to the offense, and therefore will not be amended at this level.

For the above-stated reasons, the responses provided by the Program Review Committee and the Superintendent are upheld in full. Your appeal must, therefore, be denied.

Sincerely,

Robert S. Bitner
Chief Hearing Examiner

William Branch is appealing misconduct A151773 on the grounds that the procedures employed were contrary to law, Administrative Directive 801, that the punishment was disproportionate to the offense and the evidence is insufficient to support the decision. The Program Review Committee reviewed the misconduct in question, the actions of the Hearing Examiner, and Mr. Branch's appeal. It is noted that the committee finds that the procedures employed were not contrary to law or Administrative Directive 801, that the punishment was proportionate to the offense, and evidence was indeed sufficient to support the decision of the Hearing Examiner. The Program Review Committee will sustain misconduct A151773 but has decided to amend the sanction to 45 days Disciplinary Custody status. Mr. Branch's release from the Restricted Housing Unit will occur on 9/10/00. The committee notes that he should be placed on C Block, C-1, at that time.

No. from PART

A

I was found guilty of misconduct # ^{#15 #35} ~~A151773~~ on ~~(7/21/00)~~ (date) by the Hearing Committee/Examiner, and I wish to appeal that decision on the following grounds:

Check Area(s) Involved

- a. The procedures employed were contrary to law, Administrative Directive 801, or to the ICU Consent Decree;

- b. The punishment is disproportionate to the offense;

- c. The evidence was insufficient to support the decision.

Below is a brief statement of the facts relevant to my claim(s). It includes the identity of all persons who may have information which may be helpful in resolving this matter.

Not well

MR McCray stated I was not yelling at him in the Day Room as the C/O alleged. For his reason to ask me to leave (Per Hearing Examiner) we were talking. DC-ADM 004 V.C. Reporting a Crime: Harassment & Retaliation. I had reported officer Russian for violating DOC search procedures and I had written a grievance on C/O Russian, everyday after that he has been after me [Retaliation for reporting a staff member is a violation of the law filing false charges is also a violation as well as conspiracy]. I meet with Mr. Fredman about C/O Russian harassing me and other inmates that made him angry. He was aware of this, C/O Fred Practice of Retaliatory Behavior as well as Supt. Collieran. Someone should have done something. Mr. Long had spoken to C/O Russian about Mr. Chapman Per a Grievance.

For the record I did not try to threaten C/O Russian. He took my statement and made it a threat. He is your go to man (Get the Block in order) I have no ill will to C/O Russian. We follow the rules. He does not. All of us should follow rules.

FINDINGS OF FACT, VERDICT, AND SANCTIONS IMPOSED

Branch pleads not guilty of both charges, and does submit a written version which is attached.

Branch said, "I did not threaten the officers in any way. I did ask him if he had a death wish, however he took it as a threat, and it wasn't. When he gave the order I was in the middle of my sentence, and he grabbed the phone. I did not obey his order."

Inmate McCray testified under oath that he had a conversation with inmate Branch in the dayroom. The officer asked him to leave the dayroom, and I went back to my cube at that time. Examiner does not believe the witnesses testimony.

Examiner believes the officers report over the inmate denial and witness testimony. Co. Russian ordered inmate Branch from the dayroom to his cube, and inmate Branch refused and followed Co. Russian to his desk yelling "do you have a death wish". Inmate Branch repeated the threat three (3) times, leaning towards Co. Russian with clenched fists. Guilty of both charges. Inmate Program Manager
for PRC

Your request to the Program Review Committee to attend the Law Library with inmate Joe King, CZ-9499, has been reviewed and denied. We have reviewed DC-ADM 007, Access to Provided Legal Services, and we find no provisions which indicate that an RHU inmate in Disciplinary Custody status is entitled to use of the Mini-Law Library with an inmate of his choice. I would direct your attention to Page 9 of that policy which indicates the eligibility requirements for inmates receiving assistance from a staff paralegal. According to the dictate set forth in this policy, at the present time, you are not eligible for assistance from a staff paralegal. You can, however, request information from the librarians and, whenever possible, they will provide you with information and/or assistance with your current work.

Your request slip also indicates that your legal papers are missing and were taken by staff. By this memo, I am directing you to send a request slip to the RHU Sergeant requesting permission to look in your personal property for the legal papers in question.

Re: Misconduct Nos. 295142 and 990495

Dear Mr. Branch:

Your appeal of the above-referenced misconducts has been received by this office and accepted for final review.

In accordance with DC-ADM 801, VI, I, 3, as amended effective November 1, 1997, I have reviewed the entire record of these misconducts. The records reveal you pled guilty to the charges at your misconduct hearings. Having pled guilty, you cannot contest the facts resulting in the determination of guilt on appeal.

The sanctions are permissible under the directive, is not viewed by this office as disproportionate to the seriousness of the misconducts and will not be disturbed at final review.

For the above-stated reasons I conclude the issues raised for review do not, as a matter of law, require further action on these misconducts. Your appeal must, therefore, be denied.

Sincerely,

Robert S. Bitner

PROGRAM REVIEW COMMITTEE'S DECISION AND ITS RATIONALE

Mr. Branch is appealing misconduct #990495. He is appealing the misconduct on the grounds that the punishment is disproportionate to the offense and the evidence was insufficient to support the decision. The Program Review Committee has reviewed his misconduct, has reviewed the hearing examiner's findings and has reviewed his appeal. It should be noted that inmate Branch pled guilty to a Class II misconduct, #32, Failure to Report to Work, Unexcused Absence. However, the Program Review Committee investigated this misconduct and found, after contacting all parties, that the inmate was laid in until further notice by Mrs. Surace, Correctional Industries Instructor. Correctional Officer Obelenus stated that he had placed this in the officer log and, due to this fact, the Program Review Committee has dismissed this misconduct.

Note in the write up #990495 Exhibit F-3
Mrs. Surace stated that I was going to the Law Library and she ordered me not to go. I had cleared going to the Law Library with my unit manager and counselor and her so why was she doing calling and because she Layed me in until further notice did she wait one week to write me up. This was done in Retaliation for my accessing the courts. Notice * on discipline Hearing Report, This man is not very Truthful.

Mr. Branch is appealing misconduct #295142 on the grounds that the punishment was disproportionate to the offense and the evidence was insufficient to support the decision. The Program Review Committee reviewed the misconduct in question, the actions of the Hearing Examiner and Mr. Branch's appeal. The Program Review Committee notes that Mr. Branch did indeed plead guilty during his misconduct hearing and even in his appeal stated that he overslept. Mr. Branch currently has no noted medical limitations as a legitimate excuse to be laid-in from work. Therefore, the Program Review Committee finds the punishment proportionate to the offense and the evidence was sufficient to support the decision, and sustains misconduct #295142.

Sir: I was in the medical because my pressure was up caused by a sayte at lunch.

~~The P.A.~~ The P.A. Examined me and prescribed 3 days of Motrin. at a cost of \$4.00

I refused the medication. Tom the nurse should have torn up the slip I signed to pay for the medication but he did not, he put it with the other slips to deduct money from inmates accounts.

8. DISPOSITION: (DO NOT WRITE IN THIS SPACE)

This was done to Harass me in retaliation for my civil actions suit.

His actions are so unfair, it is not like I ~~sued~~ sued him or reported him. This speaks to his motives and personality. This was not a mistake I told him to his face I was not got to pay for the medicine and asked him to tear up the cash slip!
